

JUNIOR CORPS: For those teenagers' ages 14-17 interested in learning valuable life saving skills, we have the Junior Corps. This gives kids the opportunity to become part of a team, learn life saving skills and rescue skills. This program meets twice a month on the 2nd and 4th Wednesday of each month. This program will open doors for exploring career paths in both the Fire and EMS Services.

For more information on Ansonia Rescue Medical Services or the Ansonia Rescue Medical Services Jr. Corps contact (203) 735-3668 or by mail at: P.O. Box 149, Ansonia, CT 06401.
