

WHO WE ARE: ARMS is a multi purpose agency providing the residents of the City of Ansonia with both Emergency Medical Services and Rescue Services. Our department consists of approximately 30 volunteers, 1 full time supervisor & 19 part time paid city employees. Annually we respond to over 2,500 calls for service. The fleet, which consists of three ambulances, is staffed by both Emergency Medical Technicians and Medical Response Technicians, providing the highest level of basic life support care. Our staff is trained to the Mobile Intensive Care Level, allowing administration of Epi-Pens and aspirin as well as use of glucose monitoring & Semi-Automated External Defibrillators. Our membership participates in weekly training session, offered within the organization to both learn and retain necessary skills for emergency care.
