#### **(d) Small Business Collection –**

The following types of establishment shall not be rendered refuse collection under the terms of this Contract: Business, Industrial, and Commercial establishments. Acceptable solid waste, as defined in Section 1.09 of this document, must be placed in containers as defined in Section 1.03 by each eligible establishment.

**3.01 Location of Containers, Bag, and Bundles-** Each container, bag and/or bundle shall be placed at curbside for Residential Unit Collection. Curbside refers to that portion of the right-of-way adjacent to paved or traveled roadways (including alleys). Each shall be placed as close to the roadway as practicable without interfering with or endangering the movement of vehicles or pedestrians. When construction work is being performed in the right of way, bins shall be placed as close as practicable to the access point for the collection vehicle. The Contractor may

decline to collect any containers, bag, or bundle so placed or any material not listed in Acceptable Materials for Collection.

**3.02 Places to be served by the Contractor –** The Contractor shall collect from all Residential Units, Residential Units A, and Miscellaneous Pickups all materials acceptable for collection on the day specified by the schedule established in accordance with the general specifications of this invitation to Bid. All new Residential Units and Residential Unit A shall be included with no additional compensation to the Contractor.

#### **4.00 Operation**

**4.01 Hours of Operation-** Collection of refuse shall not start before 6:00 a.m. or continue after 6:00 p.m. on the same day. Exceptions to collection hours shall be effected only upon mutual agreement of the City and the Contractor, or when Contractor reasonably determines that an exception is necessary in order to complete collection on an existing collection route due to unusual circumstances.

**4.02 Routes of Collection-** Collection routes shall be established by discussion with the City. The City shall provide a map designating the collection routes. The contractor may, from time to time, propose for approval by the City, changes in routes or days of collection, which approval shall not be unreasonably withheld. Upon City's approval of the proposed changes, the Contractor shall promptly give written or published notice to the affected units.

**4.03 Holiday-** The following shall be holidays for purposes of this Contract

New Year's Day	Labor Day
Memorial Day	Thanksgiving Day
Fourth of July	Christmas Day

Contractor may decide to observe any and all holidays with the supervision of collection service on the holiday, but such decision in no manner relieves the Contractor of its obligation to provide collection service as per the terms of this Request for Proposal.

**4.04 Complaints –** The Contractor shall direct all public complaints with regard to its performance to the Public Works Superintendent of the City of Ansonia. The Contractor shall respond to all resulting inquiries by the Superintendent within twenty-four hours of being contacted by the Superintendent. In the case of alleged missed scheduled collections, the Contractor shall investigate and, if such allegations are verified, shall arrange for the collection of the refuse not collected within twenty-four hours after the complaints is received.

**4.05 Collection Equipment –** The Contractor shall provide an adequate number of vehicles approved by the City for regular collection services. All vehicles and other equipment shall be kept in good repair, appearance, and in sanitary condition at all times. Each vehicle shall have

clearly visible on each side the identity and telephone number of the Contractor, as well as collection for the "City of Ansonia."

**4.06 Office** – The Contractor shall maintain an office or such other facilities through which it can be contacted. It shall be equipped with sufficient telephones and shall have a responsible person in charge from 8:00 a.m. to 4:30 p.m. on regular collection days. Such telephone numbers shall be of a local exchange or toll-free for all residents of Ansonia.

**4.07 Hauling** – All refuse hauled by the Contractor shall be so contained, tied or enclosed that leaking, spill or blowing are prevented.

**4.08 Reports** – The Contractor shall include in the Proposal all costs associated with Quarterly Reports of all quantities collected of acceptable MSW. This information is imperative and will be utilized by the City for submissions to the State of Connecticut DEP of its annual recycling report for July 1 through June 30 of each year.

**5.00 Compliance with Laws** – The Contractor shall propose to conduct operations under this Contract in compliance with all applicable laws; provided, however, that the General Specifications shall govern the obligations of the Contractor where there exist conflicting ordinances of the City on the subject. It does not, however, supersede any State or Federal laws.

**6.00 Nondiscrimination** – The Contractor shall not discriminate against any person because of race, sex, age, color, religion or national origin.

**7.00 Indemnity** – The Contractor will indemnify and save harmless the City, its officers, agents, servants and employees from and against any and all suits, actions, legal proceedings, claims, demands, damages, costs, expenses and attorney's fees to the extent resulting from a willful or negligent act or omission of the Contractor, its officers, agents, servants and employees in the performance of work described in this Contract.

**8.00 Licenses and Taxes** – The Contractor shall obtain and maintain for the life of the contract, all licenses and permits (other than the license and permit granted by the contract) and promptly pay all taxes required. Each of the Contractor's employees operating equipment pursuant to the Contract shall be properly trained and licensed to operate.

**9.00 Term** – The contract shall be for a minimum of five (5) year period beginning upon the execution of the contract and ending five (5) years thereafter, provided that the contract is not terminated at the sole discretion of the City.

**10.00 Insurance** – The Contractor shall at all times during the contract, maintain in full force and effect Employer's Liability Workers' Compensation, Public Liability and Property Damage Insurance, including contractual liability coverage for the provisions of Section 7.00. All insurance shall be by insurers and for policy limits acceptable to the City; and before commencement of work hereunder the Contractor agrees to furnish the City certificates of insurance or other evidence satisfactory to the City to the effect that such insurance has been procured and is in force, containing the following provision:

"This is to certify that the policies of insurance described herein have been issued to the insured for whom this certificate is executed and are in force at this time. In the event of cancellation or material change in the policy affecting the certificate holder, thirty (30) days prior written notice will be given the certificate holder and the City of Ansonia. The City of Ansonia is listed as an additional insured under the terms of this contract.

For the purposes of this Contract, the Contractor shall carry the following types of insurance in at least the limits specified below:

<u>Coverage</u>	<u>Limits of Liability</u>
Worker's Compensation	Statutory
Employer's Liability	\$1,000,000.00
Bodily Injury Liability Except Automobile	\$1,000,000.00/each occurrence \$2,000,000.00 aggregate
